ALEXANDRA BURKE

Miss Burke's fashion credentials are solid as a rock in this outfit. Glamming up her Rolling Stones tee with a tailored jacket and body con mini, she'll be giving the boys no end of satisfaction.

KELLY OSBOURNE

Kelly may be rock royalty but she's hit rock bottom in this combo. Her tucked-in tee and cropped waistcoat make her look dumpy, while the wellies make her look stumpy.

MOLLY KING

Teaming a Blondie tee with a trilby, oversized shirt and cowboy boots might not be groundbreaking (very Sienna, dahling), but The Saturday lady's style still works. In fact, she looks Atomic.
